

NFWB Vikings

Dedicated to Youth Sports Excellence!

Dear Viking Players and Families,

Are you ready for some football!!! Hopefully you are because we are! The Viking Board is excited and ready to continue our service to what we feel is the best youth football organization in southeast Michigan! This year we will feature 5 home games at North Farmington High School and 4 away games. Also, like last year, we are planning to again host a special Friday night game on Labor Day Weekend. This year's game will be against the Royal Oak Chiefs, where our Junior Varsity and Varsity teams will get to play "under the lights"!

Our focus is to maintain our success at the higher levels and to build our younger teams into a similar force at their respective levels, all while promoting safety, fairness and good sportsmanship between our players, cheerleaders, coaches, parents, etc. As we continue to recruit new families, we are asking all of our returning families to help us "put the positive word out" about the Vikings program as we are aggressively looking to add players and cheerleaders at all levels, especially the lower age groups (Flag and Freshmen). We appreciate your help!

This year, like last year, we are only going to have one registration day. All participants, both returning and new, will register on **Saturday May 1st** at the William Costick Activity Center between 9am and 1PM. After all rosters have been filled by returning players, if needed, we will have a lottery from the new player applications to fill the open spots. The registration form is available online at our website www.nfwbvikings.com. Due to the popularity of our program, it is extremely important for returning players to register on May 1st. If you are unable to be there, send your registration and payment with a teammate or, at last resort, contact a board member to make arrangements. Once returning players are counted and we fill the open spots from the lottery, our rosters will be closed. No exceptions will be made.

- *We will also be conducting a drawing for our players to win 1 of 5 paid scholarships available to the **Mill Coleman Football Fundamentals Program** to participate in a camp of your choice. **In order to be eligible for the drawing, the player must be completely registered (paid in full with all registration materials in to us on May 1st^d).***
